OAX018

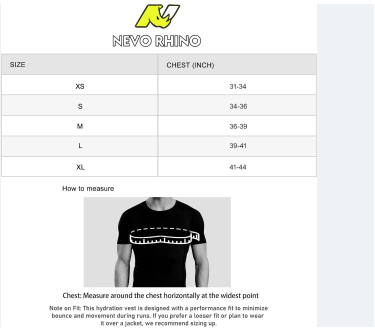

12L Trail Running Hydration Vest

KEY FEATURES

- 12L capacity provides room for trail running essentials without excess bulk.
- Nylon construction offers a lightweight and durable material choice.
- Black color gives a versatile look suitable for outdoor and running use.
- Compact hydration vest design is intended for active trail running.
- Suitable for wholesale buyers stocking outdoor and running products.

DETAILS

NEVO RHINO

SIZE	CHEST (INCH)
XS	31-34
S	34-36
M	36-39
L	39-41
XL	41-44

How to measure

Chest: Measure around the chest horizontally at the widest point

Note on Fit: This hydration vest is designed with a performance fit to minimize bounce and movement during runs. If you prefer a looser fit or plan to wear it over a jacket, we recommend sizing up.
